

Jose, thanks for sharing your pictures and experience with us!

“Here is Bennie Sedillo, a Valencia County Senior Citizen, embracing President Obama. I was taking Bennie for a Doctor’s appointment when we stopped in to have lunch at the Barela’s Coffee House to have a bowl of menudo. Much to our surprise, the President of the United States came in to join us!!”Jose Campos, Director Older American Program for Valencia County.

Bennie Sedillo, THE MAN, and Jose Campos

Jose is thanking President Obama for his support of senior programs
