

Valencia County RAC Narrative (May 2012)

Barriers this Quarter

- 1. Continue to have problems with current contact information for students when brought to RAC office. When referrals are made without the student being present. RAC Specialist is having difficulty contacting parents when contact information is not available or current.**
- 2. Limited programs to refer youth for services that do not require legal involvement.**
- 3. Transportation for families to get to appointments, gas is also an issue.**
- 4. Low numbers this month.**

Successes

- 1. Families are continuing to follow-up with referrals to agencies in Valencia County.**
- 2. RAC Specialist will be available on an on-call basis during the summer after-hours.**
- 3. RAC Specialist will continue to work out of the Century High School Office during the summer.**
- 4. Met with Isleta Law Enforcement and established contact persons for Tribal youth. We will continue to work with Isleta Behavior health programs to establish contacts for referrals.**
- 5. Jail tours were completed by youth/families this month.**
